

Mixed Compostable Roll Cart

By now, you have received your 96-gallon Mixed Compostable Roll Cart.

This cart is for all of your Yard Debris & Food Waste to go in. For more information visit www.northlincolnsanitary.com

The schedule for pick up will be the same schedule as your Recycle Roll Cart pick up.*

If you live on the Northside of the D-River, you will be picked up on the **green weeks**, same day of the week as your garbage service.

If you live on the Southside of the D-River, you will be picked up on the **yellow weeks**, same day of the week as your garbage service.

If you would like a smaller Mixed Compostable Roll Cart, we do have 32-gallon and 64-gallon sizes available. Please call our office and arrange to have your 96-gallon Mixed Compostable Roll Cart brought in and a smaller one delivered.

*Download our new "North Lincoln Sanitary" App on **Apple Store** or **Google Play** for schedule reminders, Waste Wizard and lots of other useful information.
