"Our Family Serving Your Family—Since 1966"

Residential Service

North Lincoln Sanitary

NLSS makes every effort to provide a large variety of services to best fit your solid waste needs.

Roll Cart Sizes

We offer 32, 64, and 96 gallon roll carts for garbage, recycling, and mixed compostables. We offer weekly, every other week, and once a month service.

Road Side or Carry Out?

We can pick up your roll cart at the curb for a reduced rate or we will walk up to 75 feet to carry out and replace your roll cart for you. Please make sure that your address is visible from the road side.

Pick Up Time

Drivers start routes very early. Please make sure that your roll carts are out the night before your pick-up day

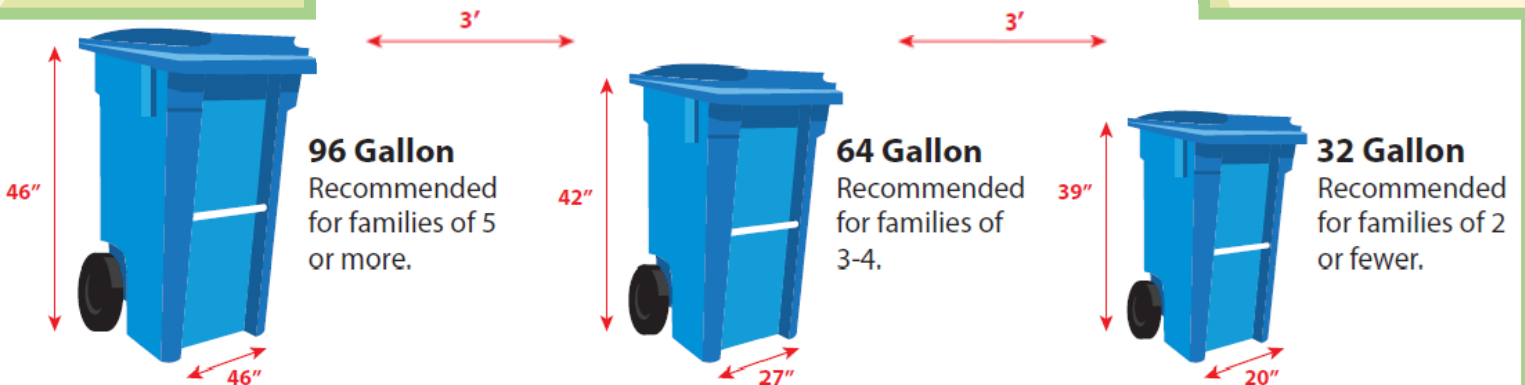

Missed Pickup

If you miss your collection day, please call the office for available options at 541-994-5555.

Extra Garbage

We will pick up extra garbage outside of your roll cart for an additional fee. There is no need to call the office. Simply set the bag, box, or can next to your cart.

REMEMBER TO SPACE YOUR ROLL CARTS 3 FEET APART

Residential Service

Non-Payment

Non-payment of service will result in removal of your roll carts after the third week from the stop date. Fees will be assessed to your account accordingly.

Moving

If you are moving to another residence inside of North Lincoln County, simply call our office and let us know. We will get your roll carts transferred to your new house for you. If you are moving outside of North Lincoln County, please let us know, and we will pick up your carts. You are responsible for service until we are notified by you to stop service.

Billing

Residential customers are billed once a month in arrears, due on the 15th of each month. We offer AutoPay using either a credit/debit card or checking account information. If you choose not to use AutoPay, a three-month deposit is required to start your service.

Receiving Credit

If you have a minimum of every other week service, we are happy to give you a partial credit for vacation skips when scheduled in advance.

Holidays

The only holiday we do not collect on is Christmas Day. If that holiday falls on a weekday, collection days will be pushed back one day for the remainder of the week. All other holidays are considered regular collection days.

Bulky Items or Metal

If you have items that will not fit in your roll cart, such as mattresses, old furniture, etc or scrap metal, please call 541-994-5555 to schedule a special pickup.

Or you can schedule these pickups on our mobile app.

Scan this QR code for our mobile app.

Commercial Service

North Lincoln Sanitary

NLSS makes every effort to provide a large variety of services to best fit your solid waste needs. As a commercial business we will work with you to help find the level of service that meets your needs. We offer one through six cubic yard containers, we can service them as frequently as five days a week.

Pick Up Time

Drivers begin routes very early in the morning. Please make sure that your enclosure or container is accessible the night before your scheduled pickup.

Recycling Roll Carts

We offer 32, 64, and 96 gallon roll carts for recycling to meet your business' needs. Please call us at 541-994-5555 to discuss ideas for recycling at your business.

Enclosures

Most containers need to be located in a sight obscuring enclosure. We will work with you to design your enclosure so that all of your solid waste and recycling receptacles will fit properly and are accessible to you and our drivers.

All containers must be located on a hard level surface.

Billing

Commercial customers are billed once a month in arrears, due on the 15th of each month. We offer AutoPay using either a credit / debit card or checking account information. If you choose not to use AutoPay, a three-month deposit is required to start your service.

Holidays

The only holiday we do not collect on is Christmas Day. If that holiday falls on a weekday, collection days will be pushed back one day for the remainder of the week. All other holidays are considered regular collection days.

Our Mobile App

NLSS now offers a mobile app for your convenience!

Search the Apple Store or Google Play for North Lincoln Sanitary, or scan the QR code below & download the app!

Features include: Pickup Day reminders, scheduling of bulky items or appliances, print your pickup calendar, “Waste Wizard” to search for what items go into which roll cart, how to dispose of items and receive service alerts.

Waste Reduction

NLSS takes pride in waste reduction and being sustainable. We are committed to promoting sustainable solutions to the current and future generations.

Reduce, Reuse, Recycle – In That Order!

Why Recycle?

Recycling reduces the amount of waste that gets sent to the landfill. Instead of these items being discarded, we can recycle the materials and create new products.

Recycling also reduces the amount of energy that is needed to make new products up to 95%! This saves money and reduces the amount of new raw material that will be needed to create new products.

Recycling helps with lowering the need to mine, extract, and transport new natural resources. With recycling we turn something that is old and useless, to new and useful.

Why Compost?

Composting is a natural process that is used to recycle organic materials, such as plants and food scraps. Composting helps significantly in reducing the amount of waste being sent to the landfill, which produces methane gas.

Rather than landfilling food waste and yard debris, it can be turned into nutrient rich compost. The compost provides your plants with the healthy nutrient filled soil that is needed to promote healthy growing.

Compost helps loosen clay soil which promotes root development and increases the amount of moisture the soil can retain. Nutrient rich compost eliminates the need for chemical fertilizers.

How to Reduce Your Waste

- Use reusable bottles, cups, & metal straws
- Avoid using single use containers, and utensils
- Shop at local markets and resell stores
- Buy reusable silicone Ziploc bags
- Buy in bulk to reduce packaging
- Carry reusable shopping bags
- Use paperless billing

Recycle

Recycling Is Picked Up On An Every Other Week Basis.

- Animal waste
- Animal carcasses
- Grease/oil
- Treated or Painted wood
- Liquid
- Dirt
- Tissues

Other Services

Document Shredding

NLSS can shred your sensitive documents. All you need to do is bring your documents by the Recycle Center during our regular business hours, and we will shred them for you for a small fee.

Medical Waste & Sharps

Medical waste, syringes, and dressings should be disposed of properly according to state law.

Do not place these items in your roll carts.

Sharps: You can purchase an approved 1-gallon sharps container at our office. Simply return it when it is full.

Medical waste containers:

Approved 35-gallon medical waste containers for commercial use are available for purchase.

NLSS offers medical waste pickup for commercial customers by our trained staff.

Paint, Electronics & Batteries

Paint: Please don't put liquid paint or stains in your roll carts, unless they are completely absorbed or dried out. We accept latex and oil-based paint and stains with readable labels at the Recycling Center at no charge. Latex paint is mixed and recycled into several beautiful colors available for purchase from NLSS. Visit the office to view samples of the available colors.

Auto Batteries: Auto batteries can either be brought to our facility, or we can pick them up for you. There is a nominal fee for pick up. Please call 541-994-5555 to schedule a pick up or drop off at the Recycling Center for free.

Household Batteries: All dry cell batteries (aa, aaa, c, & d, ect.) and rechargeable batteries (nickel cadmium (Ni-Cd), nickel metal hydride (Ni-MH), lithium ion (Li-ion), and small lead (pb) can be dropped off at the Recycling Center for a fee.

Other Services

Tires: Tires are required to be recycled. We can pick tires up for you, or you can take them to Schooner Creek Transfer Station. There is a fee for tires to be picked up or dropped off. Please call 541-994-5555 for prices or to schedule a pick-up.

Appliances: Large appliances are required to be recycled. We can pick up your appliance for you. Please call 541-994-5555 to schedule a pick up or use our mobile app.

You can also self haul appliances to Schooner Creek Transfer Station or the Recycle Center for free.

(Freon appliances are accepted for a small fee)

Solvents: Please do not put paint thinners, mineral spirits, or other solvents in the trash unless they are absorbed or completely dried out. These items can be dropped off at the Recycling Center for proper disposal for a small fee.

Fluorescent Light Bulbs: We accept compact and tube fluorescent bulbs for a small fee. Bring unbroken bulbs to our Recycling Center for recycling.

Electronics: Computers, Monitors, TV's, Printers, Mice and Keyboards are required to be recycled. We accept these at no charge at our Recycle Center.

Temporary Containers & Drop Boxes

Drop Boxes

We have, 10, 20, 30, and 40 cubic yard drop boxes for construction or large clean up jobs. If ordered before noon, we strive for same day delivery. We require a deposit in advance for delivery.

You can keep your drop box for up to seven days; beginning of the eighth day there is a \$20.00 per day rental charge.

The weight limit is 10 tons, which is about 10 yards of broken concrete, dirt, or gravel.

Prohibited items in temporary containers or drop boxes are tires, auto batteries, and wet paint. Appliances can be put in the drop box, but need to be placed at the front and the office notified.

Temporary Containers

We have 1.0 cubic yard or 1.5 cubic yard temporary metal containers with lids, available for rent for up to six months. These containers are emptied upon your request at your location. Each container must be dumped a minimum of once a week to avoid rental charges. There is a two-dump minimum; one day advance notice is needed to dump container.

Drop boxes are available for scrap metal. Please call 541-994-5555 for rates and availability.

10 Yard
3' 8" H x 7' 6" W x 12' L

20 Yard (2 sizes available)
3' 6" H x 7' 6" W x 20' L or
4' 6" H x 7' 6" W x 16' L

30 Yard
6' H x 7' 6" W x 20' L

40 Yard
7' H x 7' 6" W x 20' L

Schooner Creek Transfer Station

From Lincoln City

Go South on 101 and turn left (east) on SE 48th St. At the stop sign veer right and this will turn into Schooner Creek Road. At the 2.5 mile marker, turn right onto Anderson Creek Road. Go 0.3 miles and turn left at the county sign "Refuse Transfer Station."

From Depoe Bay

Go north on 101. One mile north of the Siletz River, turn right on Drift Creek Road. At the 1.5-mile mark, turn left at the "T." Proceed 0.7 miles and turn right at the county sign "Refuse Transfer Station" If you get to Schooner Creek Road, you have gone 0.3 miles too far.

Accepted Items

Garbage
Scrap Metal
Woody Debris (Not painted or pressure treated)
Inerts (concrete, brick, dirt, etc.)

Saturday public customers disposing of garbage, metal, and woody debris need to use our location at 288 S. Anderson Creek Road.

Customers with **self-tipping** trailers or woody debris need to use our location at 288 S. Anderson Creek Road, Lincoln City, OR.
